School attendance – Everyday counts

Regular school attendance is a key priority for us all and this letter is to update you on how we want to work together to improve the attendance of our pupils. Helping create a pattern of regular attendance is everybody's responsibility – parents, pupils, all member of school staff and the governors of the school.

To help us all focus on this we will:

- Report to you at parent's evenings and annual reviews on your child's attendance and how this relates to their attainment;
- Celebrate good attendance by displaying achievements and information about school attendance;
- Send you a termly letter reporting on your child's attendance;
- Reward good and improving attendance;
- Run events when parents, pupils and staff can work together on raising attendance levels across the school.

Days off school add up to lost learning

175 NON SCHOOL DAYS A YEAR

175 days to spend on family time, visits, holidays, shopping, household jobs and other appointments

Raising Attendance Plans

You will be invited to a Raising Attendance Planning meeting if your child's attendance is becoming a concern or there has been a change in the pattern of attendance. At the meeting a plan will be written to record how we will work together to remove barriers and improve your child's attendance. If there are other agencies working with your family they will be invited to attend too. These plans will be reviewed half termly.

Attendance Heroes

For our pupils to gain the greatest benefit from their education it is vital that they are **here**, **everyday**, **ready** and **on time**. Each half term we will celebrate the achievements of our attendance HEROES.

Attendance initiatives

We will use attendance initiatives to reward good and improved attendance and to help other pupils catch the 'good attendance bug'. This half term our initiative is as follows:

**Our Easter 20 day
Attendance Challenge**

6th March to 31st March

**For every day that you come to school
your name will be entered into a prize
draw to win one of three prizes!**

**1st prize - a family hamper
2nd and 3rd prizes Easter egg**

**If you come to school everyday until
the end of term and you will be
entered 20 times!**

We hope you will support us and look forward to working together.

Yours sincerely

Mrs Laura Harkin
(Head of School)
