No. 28

World Book Day

World Book Day takes place on Thursday 6th March and we hope you will join us as we come together to celebrate our World Book Day in school. We will be using World Book Day as a way to share our favourite books in school.

This year our theme is "Read your way." We are asking children to take a picture of fun, exciting and strange places to read. Children can then either bring the pictures into school or email them to the office

(euler.admin@vennacademy.org) to be printed. Please make sure that any photos are checked by an adult prior to sending. Teachers and other staff members will be joining in with this activity too!

We would love it if your child would join us in dressing up as their favourite book character. This is purely optional as we are aware of the financial burden this puts on families. We also appreciate the strain this can put on routines.

We would like to host a book swap that will run across the week. Please bring your unwanted books into school from Monday 3rd March. Whether your child brings in a book or not they will be encouraged to browse the books on offer and maybe find something they would like to take and read.

Easter Bonnet and Decorated Egg Competition

To celebrate Easter we will hold our annual Easter Bonnet and Decorated Egg competition on Tuesday 1st April at 1:30pm. All parents are welcome.

Staffing Changes

Mr Shepherd leaves us this week for a secondment post at another Venn school. He will support the other school until the end of this academic year and return to us in September. We wish him all the best in this exciting role.

Summer Fair

This year as part of our Summer Fair, we will be holding a raffle to win some amazing Hull KR merchandise. First prize is a signed shirt, second prize is a signed ball, and third prize is tickets to a Hull KR game. A book of raffle tickets will be sent home with your child to sell to friends and family at £1 per ticket. There is no obligation to buy but all money raised will go directly to school funds.

Personal Hygiene

A key part of our work at Euler is to teach the children good hygiene and personal care. We have seen an increase in children suffering from diarrhoea and sickness this half term. Please try to impress upon your child the importance of regular handwashing and how this can stop germs from spreading and limit infection. All the children are expected to wash their hands regularly during the school day and brush their teeth after lunch. We would ask that you encourage these good habits at home. As the children move into upper key stage 2, as pre-teens, it is a good time to build healthy habits which will stand them in good stead for puberty. This can be getting your child into a good routine of regular showering and using deodorant. As always if you need any support with this, please speak to your child's teacher.

Year 6 Residential Trip

The residential visit will soon be upon us and thank you to those parents who have paid. Please can any remaining balances be cleared by March 14th. If you are experiencing any difficulties, please contact the school. Further information will be sent out shortly with a list of equipment your child will require.

A Day in The Life at Euler

Next term we will be looking closely at the day in the life of a child at Euler as part of our school improvement planning. We may call you to ask some questions to help us. We will be sending out a parent survey. Please can you help us by completing this, so that we know what we can do to improve and what you think we are doing well.

Dates for your diary

We understand you need dates well in advance; please see important dates for this term. We shall send out further information nearer to each event.
